Re: 141-17326-00032
Fifth Administrative Amendment to
Part 70 T141-6022-00032

Dear Mr. Smith:

AM General Corporation was issued a permit on February 10, 1999 for a stationary plant for the re-manufacture of 2.5 ton military trucks. A letter requesting a change in the operating name was received on May 27, 2003. Pursuant to the provisions of 2-7-11(a)(2) the permit is hereby administratively amended as follows:

A.1 General Information [326 IAC 2-7-4(c)] [326 IAC 2-7-5(15)]

The Permittee owns and operates stationary plant for the re-manufacture of 2.5 ton military trucks.

Responsible Official:	Ricky R. Smith
Source Address:	711 West Chippewa Avenue, South Bend, Indiana 46614
Mailing Address:	13200 McKinley Avenue, Mishawaka, Indiana 46545
Phone Number:	(219) (574) 258-3352

County Status:	Maintenance for Ozone
	Attainment for all other criteria pollutants
Source Status:	Minor Source, under PSD and Emission Offset Rules
	Major Source, Part 70 Permit Program
	Major Source, Section 112 of the Clean Air Act

Mr. Ricky R. Smith, Vice President of Operations remains as the Responsible Official. Mr Smith meets the requirements of 326 IAC 2-7-1(34)(A)(iv). AM General Corporation has requested that the operating name be changed to reflect AM General LLC as the new operating name for the plant located at 711 West Chippewa Avenue, South Bend, Indiana. This is not a change of ownership. Ownership still remains with Renco Group, Inc., 30 Rockefeller Plaza, New York, NY 10112. All appropriate reporting forms were changed to reflect the new operating name.

The telephone area code was updated to show the area code for the South Bend area. Due to a name change since the permit was issued, all references to the Office of Air Management (OAM) were changed to Office of Air Quality (OAQ).

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of

this amendment and the following revised permit pages to the front of the original permit.
